Welch LLP Awarded GSA Schedule Contract to do business with the U.S.A. Government.

July 28, 2008, Ottawa, Ontario, Canada – Welch LLP today announced the award of a five-year U.S. General Services Administration (GSA) Schedule 520-15 contract, number GS-23F-0049U for providing billing, collection and fund administration services to the U.S.A. Government.

“The award of a GSA schedule contract is a big step for our firm in establishing ourselves as trusted vendors for the U.S. Government, said Garth Steele, Partner at Welch LLP. “ It will position us to provide our current and new government clients with a streamlined, online channel to access our approved services.”

The General Services Administration (GSA) is the procurement arm of the United States Federal Government. It is also a buying portal in the governmental bid process of all levels of contracting on the local, state, and federal level.

About Welch LLP

Welch LLP is a full service chartered accounting firm providing expert advice in accounting, audit, taxation, business valuation, business development, and information systems services. As a leading firm in Eastern Ontario and the 19th largest firm in Canada, Welch serves a range of clients in corporate, owner-managed, not-for-profit and government organizations. Welch LLP and its related entities have offices across Eastern Ontario and Western Quebec. The firm is an independent member of BKR International, an association of independent accounting and advisory firms worldwide.
